Request for review

CC Docket 02-6

Gentlemen:

This is a letter of appeal for a waiver for the funding year 2008 Form 471
For the Taylorville Public Library

Dorothy D. Siles, Library Director
Billed Entity Number 136629
Form 471 application number 623074
Funding Request Number 1764134
Funding year 2008 Form 471 postmarked outside of window letter

Reason for appeal:

I am director of a small library. I have no clerical help. Although I try to keep careful track of the dates when grant responses are due. I sometimes miss deadlines when I am very busy with many projects. In this instance, I thought the last day for this grant was a Friday. I was wrong and I missed the closing date by hours. I hope this problem can be rectified and my library gets its grant. We are a small city with tax caps and the city is passing utility costs directly on to us. So many of our families are at the poverty level and we see library monies shrinking. Thank you for your assistance.
